### **EDUCATION**

10/2012 – 09/2016 Doctor of Science: Chemistry **Ghent University** 

PhD advisors: Prof. Zeger Hens, Prof. Isabel Van Driessche, Prof. José C. Martins Including research visit at **ETH Zürich** (06-09/2015) with Prof. Maksym Kovalenko

PhD defense date: 14/03/2016

09/2010 – 06/2012 Master of Science in Chemistry *Ghent University*09/2007 – 06/2010 Bachelor in Chemistry *Ghent University* 

### **EMPLOYMENT HISTORY**

09/2019 - present	Tenure track assistant professor – University of Basel, Basel, Switzerland
10/2018 - 08/2019	Post-doctoral Research Fellow – Ghent University, Gent, Belgium
10/2016 - 09/2018	Post-doctoral Research Fellow – Columbia University, New York, USA

With Prof. Jonathan S. Owen

### INSTITUTIONAL RESPONSIBILITIES

04/2021 - present	Coordinator of the Organic and Inorganic Chemistry seminar program
01/2021 - present	Student Counselor of the Department of Chemistry, University of Basel
09/2012 - 06/2016	Member of the Faculty of Sciences Library Commission, Ghent University.
09/2008 - 06/2012	Member of the Education Board of the Chemistry program, Ghent University

### **OUTREACH AND VOLUNTEERING**

Swiss Chemistry Olympiad weekend in Basel
Swiss Chemistry Olympiad weekend in Basel
Science day at Ghent University
Science Honors Program for high school students
Cornell/Columbia STEM Teachers workshop
Workshop on global warming in <b>High School</b> (via OneThroughWorld)
Outreach event at the NYC Regional Brain Bee Competition
Girls Science day at Columbia University
Blogger at Your Formula platform
Talk at <b>TEDxGhent</b> 2014

## PRIZES, AWARDS and FELLOWSHIPS

09/2017	Special Research Fund (BOF) UGent postdoctoral fellowship
10/2017	Umicore Materials Technology Ph.D. Award "in recognition of original and excellent
	scientific PhD research in the field of catalysis"
10/2017	Scientific prize McKinsey & Company "in recognition of original PhD research with
	practical implementation or social and economic relevance"
10/2016	Fulbright scholarship for a research stay in the USA
10/2016	Belgian American Education Foundation fellowship for a research stay in the USA
05/2016	Umicore poster award "in recognition of an outstanding poster presentation at EMRS"
05/2016	E-MRS Young Scientist Award "for outstanding performance and promise for future
	substantial achievement in materials research".
11/2014	Young Belgium Magnetic Resonance symposium, best presentation award
05/2014	E-MRS Young Scientist Award "for outstanding performance and promise for future
	substantial achievement in materials research".
05/2014	Reach.Out award "to recognize members of the Materials Science community who have
	designed, organised and implemented a public outreach activity in the EU between the 1st
	of January 2013 and the 27th of April 2014."
06/2014	Winner of the TEDxGhent PhD contest
09/2012	Research Foundation Flanders (FWO) predoctoral Fellowship
06/2012	Dow Chemical Company Award, "for the best student graduating within the program of
	Master of Chemistry at Ghent University"
06/2012	KVCV Award, "for the most meritorious student graduating within the program of Master of
	Chemistry at Ghent University."
06/2010	Oxford University Press Award, "for the best student graduating within the program of
	Bachelor of Chemistry at Ghent University"

### **INVITED TALKS**

07/2021	University of Limerick (online)
07/2021	Internet Nanoge Conference on Nanocrystals (online)
05/2021	Quantum dot school (online)
03/2021	Applied Nanotechnology and Nanoscience International Conference 2021 (online)
11/2020	News in nanocrystals seminar (online)
10/2020	Whitman College, Walla Walla, USA (online)
05/2020	LMU Münich, Münich, Germany (online)
04/2020	ETH Zürich, Zürich, Switzerland (online)
